We're not comfortable until you are!

OUR EXCLUSIVE "NO LEMON POLICY":

We understand that not every manufactured piece of equipment is 100% perfect, 100% of the time. Since our customers deserve to receive trouble-free heating and cooling products, LAND Heating and Air Conditioning offers a "NO LEMON POLICY." It's very simple, if your air conditioner's compressor fails within the first five years or the furnace's heat exchanger fails within the first 10 years, WE WILL REPLACE IT AT NOT COST TO YOU!

LOWEST PRICE POLICY:

Anyone can quote a job cheaper by cutting corners. That's why it is very important to know what you are getting for your hard-earned dollar. Our price promise to you is that you will not find a comparable installation for less! Or we will pay you \$100.00!

OUR EXCLUSIVE PERFORMANCE POLICY:

We will install a furnace or air conditioner according to manufacturer's specifications. When heating your home, if your new equipment does not maintain a 1-degree plus-or-minus reading at the digital thermostat or when cooling, it does not maintain a 20-degree difference from the outside temperature, we will come back and make the necessary changes to reach your desired temperature, at no charge to you.
